

## **FOREST SCHOOL UNIFORM (Reception, Years 1 and 2)**

All items of uniform and personal possessions brought to school must be **clearly and permanently named**.

A part of the ethos of Forest School is “there is no such thing as bad weather, just bad clothing”. The idea is that if enough comfortable and appropriate clothing is provided all children can enjoy the Forest School experience in all weathers.

### **Requirements for every session throughout the year:**

- Red haversack sports bag
- Waterproof all-in-one suit or waterproof top and trousers (we recommend Hippychick Waterproof Fleece Lined All-in-One Suit in navy)
- Wellington boots – to be kept at school throughout the year
- Long sleeved top (to protect from scratches, bites and sunburn)
- Jumper or fleece
- Long, durable trousers – jogging bottoms or corduroy trousers or trekking trousers NOT leggings or jeans (to protect from scratches, bites and sunburn)
- Socks

### **Alternative recommendations for waterproof, all-in-one suits or waterproof top and trousers:**

- Muddy Puddles
- Little Trekkers
- Regatta (Insulated All-in-one Suits, fleece lined body and hood)
